

MACCABIM

Regenerating Oil

This oil based on the Helichrysum (everlasting) plant, stimulates tissue regeneration and micro circulation, thereby helping minimize reddishness on facial skin. It allows to reduced marks on skin, created by wounds or blows. Helps to minimize the appearance of wrinkles and pigmentation spots on the skin.

Properties of the plants used:

☼ *Helicrysum italicum* or everlasting possesses many benefits; it is known as the most potent anti-hematome plant, anticoagulant, antiallergic, helps skin healing and prevents vascularisation. Rich in natural hormones.

☼ *Myrtle* has anti-inflammatory properties, tones & contracts skin, fights infection, kills bacteria & fungi, and heals skin.

Usage suggestions: Blue spot or marks left by healed wounds: apply locally every 3 hours, for 3-6 days.

Clarifying red or brown pigmentation spots; minimizing facial redness: apply on the skin regularly, in the evening.

Scars, stretch marks: apply locally to complete absorption.

Gums: massage gums in the evening. Avoid toothpastes which contain detergents; use the **SHEN** oral hygiene spray instead.

Do not use during the first 3 months of pregnancy.

* Dermatologically tested, not tested on animals, ONLY FOR EXTERNAL USE. Purely herbal ingredients.

Usage precautions: As for any product containing essential oils:

- In case of contact with eyes, rinse thoroughly with water.
- To test for sensitivity, start by applying a small quantity of the product. In case of abnormal reaction (headaches, persistent redness of the skin, nausea, dizziness) discontinue usage of the product.

<< *The efficacy of Herbs of Kedem products is optimized by the dosage and the synergy of the plants being used* >>
