

NIKUZ

Purifying Infusion *

NIKUZ/NIKUZIT stimulates the enzymes in the liver & kidneys, drains toxins that build up in the body (following sickness, stressful conditions, hormonal changes, constipation, & obesity, etc.). It reinforces the external treatment of skin conditions (eczema, psoriasis, acne, etc.). It stimulates the re-growth of hair. It stimulates the metabolism & helps drain liberated materials during weight loss programs. It is useful in cases of arthritis. **NIKUZ/NIKUZIT** is recommended in cases of general fatigue, convalescence, for treating chronic maladies (inflammations, allergies, constipation, diarrhea), & for the changing of the seasons (particularly in spring).
